From The Director

Welcome to our annual BDC Recital. This past year has been a year of growth for our school. I've seen so much growth in both our students and community within BDC. It has been a wonderful to year to share with both you and your families. I just love this time of year, it's so wonderful to see many new dancers on the stage and sad to say goodbye to graduating dancers who, I have had the pleasure of working with for several years now. I hope you'll also find inspiration this in this Recital and continue to dance with us over the summer. Thank you to all the families, dancers, and faculty for making this a successful show and year ~Mallory Morrison
